GENERAL INFORMATION

The Zimro Trio is an exciting new force on the chamber music scene. Focusing on music for both violin and viola, clarinet and piano, this electrifying trio boasts three of the UK's premier chamber musicians playing music ranging from the exquisite Mozart *Kegelstatt* Trio, Bruch's tuneful miniatures, the exuberant folk rhythms of Bartók and Khachaturian to the light-hearted humour of Milhaud. Zimro creates sparks, making music that communicates fun and passion with the spirit of adventure!
