The London Mozart Trio

COLIN STONE - PIANO, KRZYSZTOF SMIETANA - VIOLIN,
LEONID GOROKHOV - CELLO

GENERAL INFORMATION

A truly international piano trio of the highest calibre, the concerts and recordings of the London Mozart Trio invariably attract the warmest praise. The Trio performs regularly at leading venues, notably Wigmore Hall, and at music festivals in the UK and abroad. Their evident pleasure in playing at the smaller UK festivals and music clubs has been much remarked upon.

QUOTE

"They play, not only with heart-warming commitment, but with a real sense of unity and empathy. British pianist Colin Stone underpins the ensemble with a fine touch and rich sound; Polish-born violinist Krzysztof Smetana's ineffably expressive tone deserves a medal of its own, but is Gorokhov's perfect match."
