Changing your Making Music Representative (Full Members)

Thank you for letting us know you are to be the new Making Music Representative for your group (NB you will replace the Representative we currently have on record). We can only make this change if you sign and return this form. Because Making Music is an Association in the form of a company limited by guarantee, this means in legal terms that Representatives of Full members are 'owners' of the organisation.

Technically, by accepting the role of Making Music representative for your group, you as an individual become a member, rather than your group itself (although to all practical intents and purposes we treat your group as the member). As an 'owner' you are:

- Entitled to vote at the Making Music AGM including the election of our Board of Directors;
obliged to pay a sum of money in the unlikely event of Making Music facing bankruptcy. Like most charitable companies, this guarantee is restricted to £1.

Please note that it is now essential for MM Reps to inform us of a valid email address to which we will send certain information regarding your membership.

Please sign and return this declaration in order for us to record this change. Alternatively, email datachanges@makingmusic.org.uk reproducing the information given below.
