

Composer Commissioning Contract

With many thanks to BASCA, the British Academy for Songwriters Composers and Authors, for giving Making Music members access to and permission to use their model commissioning contract.

About BASCA

BASCA, the British Academy of Songwriters, Composers and Authors, is the professional association for music writers of all genres in the UK. With approximately 2,000 members, it is the single voice for British music creators. BASCA works to foster a sense of community amongst songwriters, lyricists and composers, and to campaign on their behalf in the domestic, European and international political arenas. As the only association in the country made up entirely of music writers, the organisation has an unparalleled insight into the issues affecting music creators in the UK today. We work closely with our members, keeping them informed in a constantly changing environment via our publications, websites, seminars and professional networking events. BASCA also presents the Ivor Novello Awards, British Composer Awards and Gold Badge Awards annually.
