For this concert we are pleased to present Vivaldi's *Gloria* and *Magnificat*, stunning masterpieces of the baroque, which Vivaldi wrote for his Venetian girls' choir.

We welcome renowned soloist Imogen Hancock, a rising star on the British trumpet scene, for Torelli's *Trumpet Concerto in D*.

We are excited to present the world premiere of Mark Austin's *Gloria*, which he has written specially for the choir.

This promises to be an exciting concert, make sure you don't miss it!
