Vivace Choir

We are a choir numbering around 30 with a passion for fine singing and for expressive performance.

Bringing together music of many styles and genres, both accessible and challenging, in imaginative programmes that link familiar choral items with new discoveries.

Recent concerts have brought together: - Gershwin, Finzi and Irish folk music, George Shearing and Eric Whitacre, Mozart, Casals, Albinoni and Faure.

Although Arlesey is our main base, we draw our members and perform our concerts in many towns and villages across the Bedfordshire and Hertfordshire border. We are also developing a team of orchestral players from the area to enrich our programmes.

If you would like further details about the choir, or to join us, please contact the Secretary for information

Come & Sing Faure Requiem with Vivace Choir

Saturday 3 November 2018,
10.00am - 3.30pm

St Michael & All Angels
Church, High Street,
Shefford, Beds. SG17 5DD

Followed by a
'Concert of Remembrance'
at 7.30pm

Faure's Mass for the Dead

A powerful exploration of pain, grief and consolation. Faure's treatment of the text is subtle and intimate, quite unlike other well-known settings by Mozart or Verdi. There are glorious melodies with expressive harmonies interspersed with one or two passages of complex choral writing. This is a chance to learn or revisit one of the great choral works of the 19th Century.

The 'Come and Sing' day is linked to an evening 'Concert of Remembrance' in the church. Vivace Choir will perform the Requiem along with choral items and songs by English composers, who took part in the 1914-18 war. The evening will also include readings from letters and diaries of local people during the period.

As part of the day-long event, all singing day participants have free entry to the concert, and Vivace Choir would be delighted to welcome participants who are experienced choral singers to join us in performing the Requiem.

Tickets for the 'Concert of Remembrance' Adults £12, Concessions £10, Children (Under 10) Free, are available from the Ticket Manager on 01462 685249
