### **BRUCKNER** *Mass in E minor*

One of the most beautiful and powerful choral works ever composed. The E minor Mass is scored for a fifteen-instrument wind band – setting it apart from Bruckner's other two masses – and from almost all other 19th century liturgical music.

### **DUKE ELLINGTON** *Sacred Concert*

A spectacular blend of gospel, jazz and traditional choral singing. The Duke is best known for his jazz arrangements, but he considered this piece “the most important thing I have ever done”.
