The Hardynges Choir offers adult singers of any musical background an **unauditioned** chance to sing quality classical and contemporary choral music. We are friendly and supportive and we challenge ourselves to give the best possible performances.

We rehearse weekly on Monday evenings during term time 7.30 – 9.45pm at St Helen's CE Primary School, Brewhouse Hill, Wheathampstead AL4 8AN and give regular concerts locally as well as joining forces with other choirs for larger scale performances and participating in community events.

We also enjoy coming together for residential singing weekends and socials.
